

International Conference on Chaos and Nonlinear Dynamics Dynamics Days 2006

Hosted by the Chaos Group at the University of Maryland

The meeting will be held at the
Hyatt Regency in Bethesda, Maryland
Wed, January 4th - Sat, January 7th, 2006

Dynamics Days is an annual conference on topics in nonlinear dynamics. Sessions will cover a broad range of topics, including pattern forming systems, characterization and control of nonlinear systems, synchronization of nonlinear systems, and complex biological systems.

Invited Speakers (*to be confirmed)

Andrea Bertozzi, UCLA
David Campbell, Boston University
Joshua Epstein, Brookings Institute*
Walter Goldberg, University of Pittsburgh
